

A

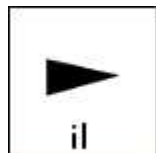

10

dieci

mesi

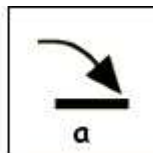

il

bambino

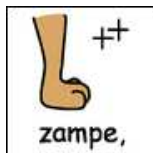

va

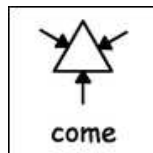

a

4

zampe,

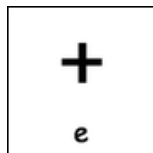

come

un

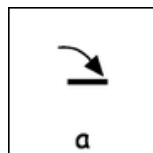

gattino,

e

riesce

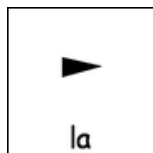

a

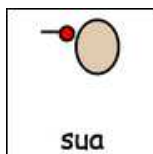

fare ciao

con

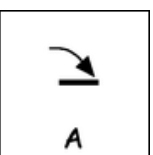

la

sua

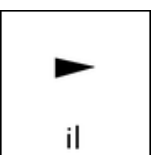

manina.

A

1 anno,

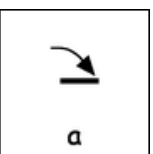

il

bambino

comincia

a

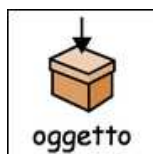

camminare,

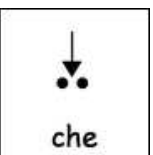

raccoglie

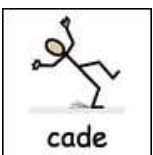

un

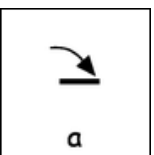

oggetto

che

cade

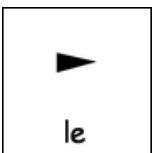

a

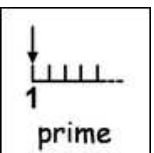

terra,

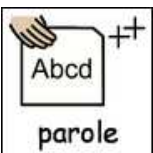

dice

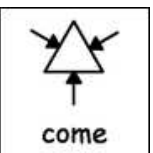

le

prime

parole

come

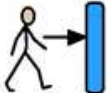

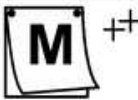

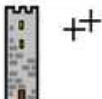

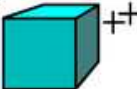

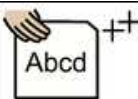

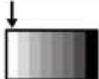

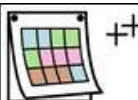

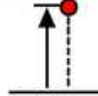

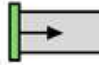

mamma,

papà,

acqua

 Verso	 1	 15	 mesi,	
 costruisce	 torri	 con	 i	
 cubi,	 gioca	 con	 la	
 bambola	 o	 l'orsetto,	 e	 dice
 8	 parole	 in	 modo	 chiaro.
 Il	 pannolino	 non	 serve	 più
 Dai	 2	 anni,	 oltre	 a
 crescere	 di	 statura,	 il	 bambino
 impara	 a	 ragionare	 e	 comincia
